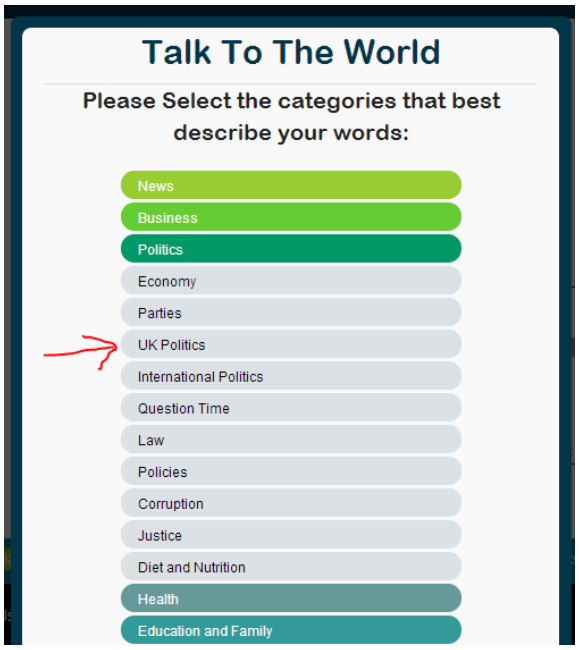
Start a New Message Thread

1. Login the website.

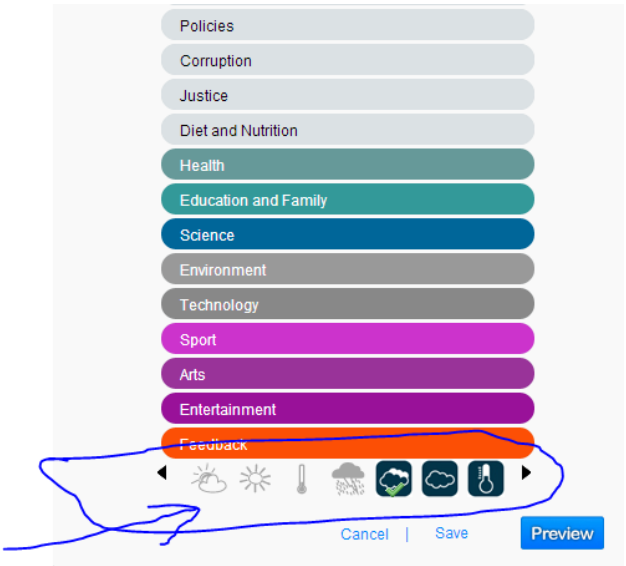
2. After login, you will see the following:

3. Enter your message in the blank filed in the middle, you will see the button “Explore it” will change to “Categories”

4. Click the “Categories” button to choose the category. You can choose any category. In this example, we choose “Polities”, then “UK Politics”.



5. At the bottom of the “Categories”, you can choose an icon to represent your mood cloud. Selection of mood cloud is **optional**!



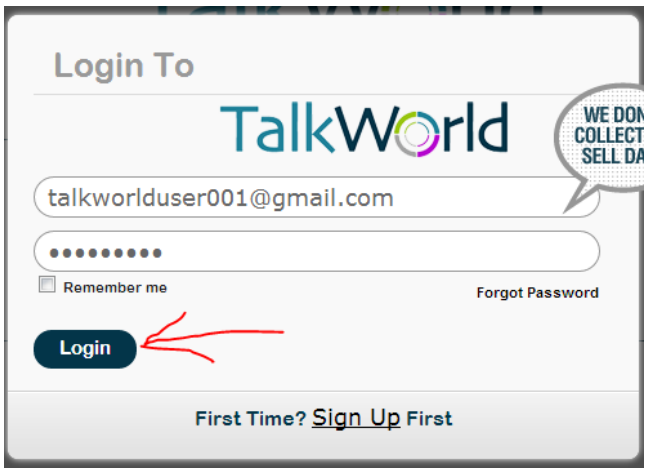
6. You can click the “Preview” button.

7. Now choose “Say it” to post the message to the forum. You will see the message has been posted to the forum.

8. If you think a message is inappropriate you can click the “Report Abuse” button to report it to the administrator.

Explore the Talk World

1. Login the website.



2. After login, you will see the following, Click the “Explore it” button.

3. Select a topic category you want to explore, and click the tick button at the button.

4. You will now see the messages in that category.

5. You can also reply the message.
